Sub-grantee Selection Criteria	Each of the three Local Workforce Investment Areas is governed by a local WIB that establishes policies and selection criteria within the framework of federal WIA regulations. State level funding for Incumbent Worker Adult programs is administered on a "first-come, first served" basis as funds are available. The WIA State level is currently engaged in agreements with the Jefferson County Commission and Mobile Works, Inc to conduct workforce programs within their areas. Other agreements include the Alabama Workforce Investment Area for career center services and other workforce programs, the Department of Postsecondary Education for ITA payment services. Ten contracts with private sector companies to provide incumbent workers with skills-up-grade are funded with the 15% Governor's setaside funds.
Number of sub-grantees / sub-recipients	The Alabama Workforce Investment Area completed contract negotiations with twenty-two providers of "stand-alone" projects. Most of the projects began training activities on October 1, 2009. Six providers will begin training on November 1, 2009.
Other Information	Regarding Performance Metrics - the Workforce Development Division of ADECA is required to submit monthly reports to the U.S. Department of Labor (USDOL). The USDOL, in turn, submits these reports to the Office of Management and Budget (OMB).
